

ROBEXIA API-driven content

Terms of Use

Please carefully review these terms of use.

By accessing this API-driven content provided by Robexia AI Lab and other domains operated by Robexia AI Lab and/or its subsidiaries (collectively, "Robexia AI Lab"), collectively the "API-driven content," you are indicating that you have read, acknowledged, and consent to be bound by these API-driven content terms of use. Robexia AI Lab reserves the right to change these API-driven content terms of use, and you are responsible for regularly reviewing these API-driven content terms of use. Your continued use of this API-driven content constitutes your agreement to all such API-driven content terms of use. If, at any time, you do not wish to accept these API-driven content terms of use, you may not access, link to, or use this API-driven content for any purpose. Any terms and conditions proposed by you that are in addition to or conflict with these API-driven content terms of use are expressly rejected by Robexia AI Lab and shall be of no force or effect.

Monitoring Your Use:

Your use of this API-Driven content may be monitored by Robexia AI Lab, and the resultant information may be used by Robexia AI Lab for its internal business purposes or in accordance with the rules of any applicable regulatory organization.

Unauthorized Use and Misuse

Unauthorized use of this API-Driven content, including unauthorized entry into Robexia AI Lab's systems, misuse of passwords, or misuse of any other information, is strictly prohibited. You may not use the API-Driven content in any manner that could damage, disable, overburden, or impair the service or interfere with any other party's use and enjoyment of the service. You may not attempt to gain unauthorized access to the service, computer systems, or networks connected to the website or service, through hacking, password mining, or any other means. You may not use any system or software to extract data in an irregular way.

Usage Restrictions:

Without limiting the generality of the foregoing, the information and other materials you access via Robexia's API-driven content may not be used as a basis for any financial instruments or products. They may not be used to manage any funds or portfolios, verify or correct data in any other compilation of data or index, create any derivative works, or create any other data or index (custom or otherwise), without Robexia AI Lab's prior written permission. If you enter into a client relationship with Robexia AI Lab, your client agreement will allow some of these activities.

Disclaimer of Warranties:

No warranty as to content: Although Robexia AI Lab shall obtain information for inclusion in the service from sources that Robexia AI Lab considers reliable, the service is provided to the licensee "as is," and

neither Robexia AI Lab, any of its affiliates, any of its or their direct or indirect information providers, nor any third party involved in, or related to, compiling, computing, or creating the service (collectively, the "Robexia AI Lab Parties") makes any representation or warranty of any kind to the licensee or any third party, either express or implied, with respect to the service, the timeliness thereof, the results to be obtained by the use thereof, or any other matter. Further, the Robexia AI Lab Parties expressly disclaim, and the licensee waives, any and all implied warranties, including, without limitation, warranties of originality, accuracy, completeness, timeliness, non-infringement, merchantability, and fitness for a particular purpose.

No warranty as to security: Robexia AI Lab will not be responsible for any loss or damage that could result from interception by third parties of any information made available to you via API-driven content.

Limitation of Liability:

No Liability for Content; No Liability Arising from Use: While Robexia AI Lab makes every effort to provide accurate and reliable information through this API-driven content, it cannot guarantee the absolute accuracy, validity, timeliness, or completeness of the data for every specific use case. Users are advised that the information presented should not be solely relied upon for critical decision-making.

Robexia AI Lab, its affiliates, directors, officers, employees, and third-party vendors assume no responsibility for any losses, damages, or consequences that users may incur while using the API-driven content. This includes but is not limited to losses or damages arising from interruptions in the availability of the API-driven content, actions or omissions of other parties involved in providing the content, or any other circumstances related to accessing, inability to access, or using the API-driven content or the data it contains.

In no event shall Robexia AI Lab or any of the aforementioned parties be liable to users for direct, special, indirect, consequential, punitive, exemplary, or incidental damages or any other damages of any kind, even if they have been advised of the possibility of such damages. Users are encouraged to exercise due diligence, verify information independently, and use their judgment when relying on the provided data or services.

No Representation as to Other Sites or Links

This API-driven content may contain links to and be linked from third-party websites (the "sites"). These links are provided only as a convenience. Accordingly, Robexia AI Lab has not tested any information, software, or product found on any of the sites and therefore makes no representations concerning the content of the sites. The inclusion of any link is not and does not imply an affiliation, sponsorship, endorsement, approval, investigation, verification, or monitoring by Robexia AI Lab of any information contained in any site. In no event shall Robexia AI Lab be responsible for the information contained on any other site or for your use of or inability to use such sites. You should also be aware that the terms and conditions of such sites and the sites' privacy policies may be different from those applicable to your use of this API-driven content.

Information Not Intended as Solicitation or Recommendation; No Assessment of Suitability; All Risks Not Disclosed:

The material on the API-driven content is for informational purposes only and is not an offer or recommendation to buy or sell or a solicitation of an offer to buy or sell any security or instrument or to participate in any particular trading strategy. Further, none of the information and material on the API-driven content is intended to constitute investment advice or a recommendation to make (or refrain from making) any kind of investment decision and may not be relied on as such. Historical data and analysis should not be taken as an indication or guarantee of any future performance, analysis, forecast, or prediction.

System Outages, Slowdowns, and Capacity Limitations:

As a result of high Internet traffic, transmission problems, systems capacity limitations, and other problems, you may at times experience difficulty accessing the API-driven content or communicating with through the Internet or other electronic or wireless services. Any computer system or other electronic device, whether it is yours, an Internet service provider's, or Robexia AI Lab's, can experience unanticipated outages or slowdowns, or have capacity limitations. Robexia AI Lab cannot and does not guarantee continuous, uninterrupted, or secure access to the the API-driven content

Proprietary Rights:

All right, title, and interest in the API-driven content are the exclusive property of Robexia AI Lab, except as otherwise stated. You may not modify, copy, distribute, transmit, display, perform, reproduce, publish, license, frame, decompile, recompile, reverse engineer, upload to, create derivative works from, transfer, or otherwise use or exploit in whole or in part any information, software, products, or services obtained from this API-driven content, except for the purposes expressly provided herein, without Robexia AI Lab's prior written approval. If you download any information from this the API-driven content, you agree that you will not remove or obscure any copyright or other notices or legends contained therein.

Robexia AI Lab and all other marks and logos used (including the names of all Robexia AI Lab products) are trademarks and service marks of Robexia AI Lab. The names of other companies and third-party products or services mentioned herein may be the trademarks or service marks of their respective owners. You are prohibited from using any marks for any purpose, including, but not limited to, use as metatags on other pages or sites on the Internet without the written permission of Robexia AI Lab or such third party which may own the marks.

Termination:

You agree that, without notice, Robexia AI Lab may terminate these terms of use, or suspend your access to the API-driven content with or without cause at any time and effective immediately, subject to any applicable law or regulation. These terms of use will terminate immediately without notice from Robexia AI Lab if you, in Robexia AI Lab's sole discretion, fail to comply with any provision of these terms of use or with any applicable law or regulation. Upon such termination, you must discontinue your use of the

API-driven content and promptly destroy all materials obtained via the API-driven content and any copies thereof.

Choice of Law; Consent to Jurisdiction; Waiver of Jury Trial:

These terms of use will be governed by and interpreted in accordance with the laws of the European regulation, without regard to conflicts of laws principles. The exclusive jurisdiction for any lawsuit, legal action, or dispute arising from or related to these terms of use will be in an appropriate state or court. Both parties hereby waive any present or future objections to the jurisdiction of such a court and renounce any claims that such a lawsuit, legal action, or dispute brought in such a court has been filed in an inconvenient venue.

Both parties unequivocally relinquish their respective rights to a trial by jury. Any legal claim you may have stemming from your use of this API-driven content must be initiated within one (1) year after the claim or cause of action arises. If, for any reason, a court of competent jurisdiction deems any provision in these terms of use unenforceable, that provision will be enforced to the maximum extent allowed to fulfill the intent of these terms of use, and the remainder of the terms of use will continue in full force and effect.
